- Action number attributed by the Court of First Instance Local Division Munich): UPC\_CFI\_514/2023

#### SUMMARY OF FACTS

On 1 March 2024 Volkswagen filed an application under Art. 69.4 UPCA and R.158.1 RoP (App. 11434/2024), requesting the Court to order NST to provide adequate security for legal costs and other expenses incurred by Volkswagen. The Court of First Instance denied the Application. Leave to appeal was granted in the Order.

#### INDICATION OF PARTIES' REQUESTS

In the appeal proceedings, Volkswagen requests that the impugned order shall be set aside. It argues that the Court of First Instance applied legally erroneous standards of examination and of burden of proof for the decision on the provision of security for costs. The Court of First Instance furthermore misapplied the undisputed facts of the case at hand, Volkswagen contends.

In the request for expedition of the appeal, Volkswagen requests the Court of Appeal pursuant to R.225(e) and R.9.3 RoP to expedite the appeal and shorten any deadlines where possible. Volkswagen argues that it already incurred significant legal costs for the filing of the statement of defence in the main infringement proceedings on the merits without any security that such costs will be reimbursed by NST. These legal costs continue to increase and thus need to be secured as soon as possible.
