## **SUMMARY OF FACTS – SUBJECT – MATTER OF THE PROCEEDINGS:**

By a Statement of Claim filed on 12 February 2024, Headwater Research LLC. brought an infringement action against Samsung Electronics GmbH, Samsung Electronics France, S.A.S., and Samsung Electronics Co. Ltd, based on EP 2391947.

By an application dated 24 May 2024, the abovementioned defendants, referring to R.323 RoP, requested that the language of proceedings be changed from German to English (hereinafter the “Application”). The Application was forwarded to the President of the Court of First Instance of the UPC pursuant to R. 323.1. RoP.

By an order dated 27 May 2024, the claimant in the main action (No. ACT\_7603/2024 UPC\_CFI\_54/2024) was therefore invited, in accordance with R. 323.2 RoP, to indicate within 10 days its position on the admissibility of the request and on the use of the language in which the patent was granted (namely English) as language of the proceedings.

Headwater Research LLC. submitted its written comments on the Application on 6 June 2024 and with regard to the recent order dated 30 May 2024 in the case No UPC\_CFI\_26/2024:

- does not object to the requested change of the language of the proceedings to the language in which the patent was granted.
- welcomes a waiver of translation of pleadings and documents already submitted in accordance with R. 324 RoP.

## **FOUNDATIONS FOR THE ORDER:**

In the absence of objection from Headwater Research LLC., the language of the proceedings shall be changed to the language in which the patent at issue has been granted - namely English.

It is to be noted that the Applicants did not request that existing pleadings and other documents should be translated.

## **ON THESE FOUNDATIONS:**

- 1- The Application shall be granted and the language of the proceedings shall be changed to the language in which the patent at issue has been granted, namely English.
- 2- The present order shall not be conditional on specific translation or interpretation arrangements.
- 3- An appeal may be brought against the present order within 15 calendar days of its notification to the Applicants pursuant to Art. 73. 2 (a) UPCA and R.220 (c) RoP.

**INSTRUCTIONS TO THE PARTIES AND TO THE REGISTRY:**

The next step is for the Applicants to file the Statement of Defence within the time period as set by the Judge-rapporteur.

Issued on 12 June 2024
