

Case load of the Court since start of operation in June 2023 update by end January 2025

I. Court of First Instance

Since the Court's start of operations on 1 June 2023, the Court of First Instance has received a **total number of 700 cases**.

a. Infringement actions and counterclaims

- 251 **infringement** actions are filed as follows:
 - 82 infringement actions have been filed in **Munich** local division, 55 in **Düsseldorf**, 34 in **Mannheim** and 21 in **Hamburg**. 14 infringement actions have been received in **Paris local division**, as well as and in the **Hague**. **Milan local division** has received 13 infringement actions and the **Nordic Baltic regional division** 7. **Copenhagen** has received 3 infringement actions, **Brussels** and **Vienna** 2 each, whereas **Helsinki**, **Lisbon**, **Paris central division** and **Milan central division** have received 1 infringement action each.
- 259 **counterclaims** for revocation have been filed with the Court's local and regional divisions. This figure however gives an inflated impression unless it is noted that that each defendant in an infringement case needed, up to a few months ago, to file an individual claim for revocation. The 259 counterclaims for revocation come from **140 individual infringement actions**.

b. Provisional measures

The Court of First Instance has received **69 applications** for provisional measures, preserving evidence and orders for inspection.

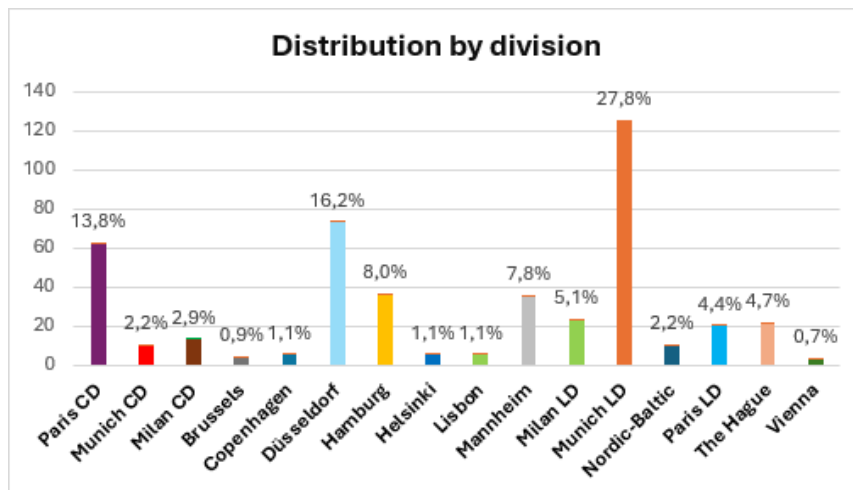

c. Revocation actions

There is a total of **55 stand-alone revocation** actions filed to date with the Court. **Paris central division** has received **40 revocation** actions, **8 revocation** actions have been filed with **Munich central division** and **7** with **Milan central division**.

A further **detailed breakdown of the total caseload** of the Court of First Instance is shown in the table below.
