

Case load of the Court since start of operation in June 2023 – update end March 2024

I. Court of First Instance

a. Infringement actions and counterclaims

Since the Court's start of operations on 1 June 2023, the Court of First Instance has received a **total number of 311 cases**.

Of these cases, **110 are infringement actions**, filed as follows:

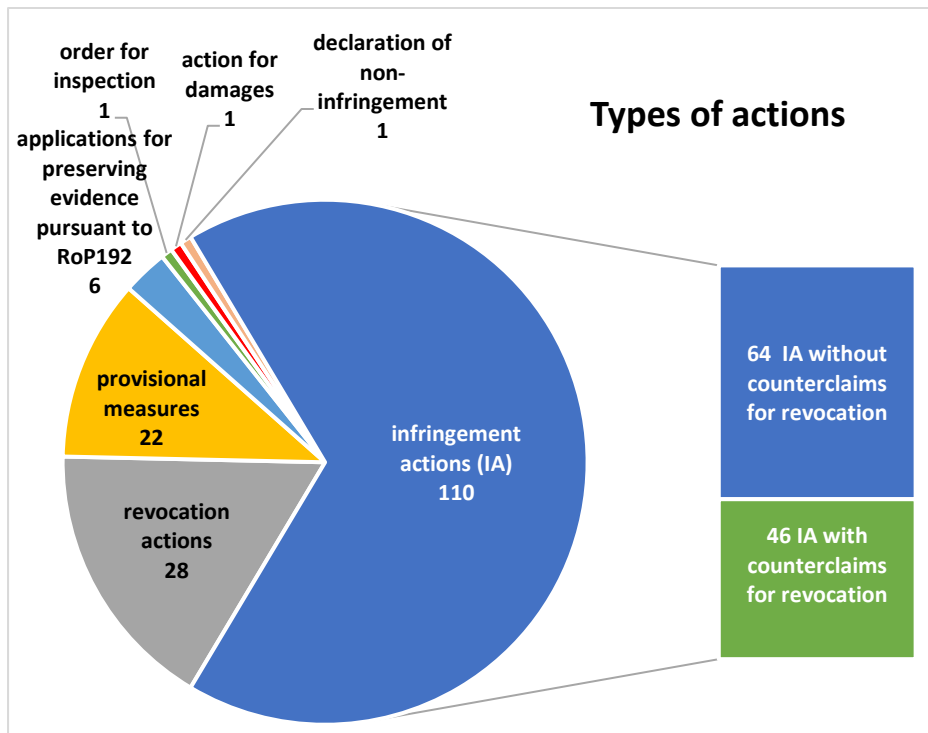

- 43 infringement actions have been filed in **Munich** local division, 24 in **Düsseldorf**, 14 in **Mannheim**, 9 in **Paris local division**, 5 in the **Nordic Baltic regional division**, 5 in **Hamburg** division. The local divisions of **Milan** and **the Hague** have received 3 infringement actions each, whereas **Brussel**, **Helsinki**, **Copenhagen** and **Vienna** have received 1 infringement action each.
- 142 **counterclaims** for revocation have been filed with the Court's local and regional divisions. This figure however gives an inflated impression unless it is noted that that each defendant in an infringement case needs to file an individual claim for revocation. The 142 counterclaims for revocation come from **46 individual infringement actions**.

b. Provisional measures

The Court of First Instance has received **29 applications** for provisional measures, preserving evidence and orders for inspection.

c. Revocation actions

Paris central division has received **24 revocation** actions while **4 revocation** actions have been filed with Munich central division.

A further **detailed breakdown of the total caseload** of the Court of First Instance is shown in the table below.
